Key Takeaways as Council of Governors Plan for the Year Ahead

Hello fellow Lions. Wow the first month is passed already. Time is flying. Thank you to everyone who attended the Cabinet Installation Picnic. I thought it was a great day and a lot of fun. I hope you all did also. Thank you to the Romeo Lions for allowing us to use their facilities and to PID Bill Hansen for installing the Cabinet.

We just completed the first Council of Governors meeting. Many things were discussed and planned for the upcoming year, and it was great to hear all the committee reports. A couple of points of interest to you are:

At the MD-11 convention in May in Muskegon, our guest and speaker will be Immediate Past International President Douglas Alexander. Coming to meet and hear him is worth it. He is a true Lion and even a better human being. The second item is PID Jenny Ware from SD10 (Upper Peninsula) told us that she is exploring the opportunity to run for International 3rd Vice President. This is awesome news and I know if it happens, she will be tremendous for our organization.

Leadership is very important for our organization to continue to grow and help serve those who need our help. We have the Lions Leadership Institute coming up the first weekend of November at Higgins Lake. Information will be coming out shortly. There is talk that a Faculty Development Institute (FDI) may be added to the program for that weekend. This would be a great opportunity for those looking to expand their leadership training. We also have the District scholarships for the Institute this year. All you need to do is send your name and club name to PDG Jack Patton to be entered in the drawing. We are doing one per Region and they will be pulled at the September Region meetings. I encourage you to enter if you wish to attend.

Speaking of Region Meetings, we are going to do the first round differently than they have in the past. These meetings are for you, the clubs. They are for you to tell us what you have done since the last round of meetings and what you have coming up. They are for all of us to learn from, to get new ideas, and to network and support each other. Therefore, after the clubs have reported, we are going to do an open round table session. Where you can ask each other questions about what was reported or how a club is doing an upcoming project. Or if you have questions of the District to ask us please bring them with you. We are all a TEAM and working together will only make us stronger. So please discuss in your clubs any questions you may be wanting to have answered.

Lastly, the first Cabinet meeting is coming up August 17th at Fraser and is being hosted by the Royal Oak Lions and RC Bob Westbury. Please get your RSVP in soon.

With that, please continue to get out into your communities, serve with a smile, think big and outside the box, and most importantly, have FUN!!! Thank you each for everything you do.

New District 11-A2 Scholarship for the Lions of Michigan Leadership Institute

The scholarship is for a Lion in good standing in District 11-A2 who wishes to go to the Lions of Michigan Leadership Institute for the first time.

Applicants may start applying after July 1, 2022 thru August 31, 2022. Applicants apply via email only to japlapelp@gmail.com . All you have to do is give your name and the club you belong to.

The winning names will be drawn at your region meeting.

- 📅 Region 1 Meeting - Sept 29
- 📅 Region 2 Meeting - Sept 12
- 📅 Region 3 Meeting - Sept 15

Once the winner's name is drawn you will be notified by your Region Chairperson. A second name will be drawn for backup in case the original winner changes their mind or can't make it.

The winners have to apply to the institute themselves and pay for it. The District will reimburse you after you attend the institute. This is just another way our District supports our members and clubs.

If you have any questions or concerns please contact Lion Jack Patton via email at japlapelp@gmail.com or cell 248.535.9011.

So, good luck and thank you for being a Lion in District 11-A2!!

Lion Jack Patton

Area Lions Aid Special Olympics Event

Each year, Lions International donates approximately \$1.3 million to the International Special Olympics Organization.

In early August, the USA hosted the Special Olympics Unified World Cup for soccer in our very own Detroit. Over 450 athletes, plus staff, from 20 countries came to compete. Various Michigan Lions Clubs volunteered their time for the weeklong event. Several Lions Clubs also sponsored a luncheon for the athletes on Wednesday at Midway Park. One of the evening events was a dinner cruise on the Detroit Princess, sponsored by Lions International. The cruise included lots of dancing and everyone had a great time.

For many of the athletes, this was their first time traveling outside of their home countries. Many expressed their gratefulness to the Lions for helping them throughout the event and making them feel welcome. Hopefully, the next time they see our logo or "We Serve", they will remember this experience.

Thank you to all who are making this world a better place. Proud to be a Lion!

2VDG: Be Like the 'Restless Grasshopper'

"The restless grasshopper only finds rest in the gizzard of a bird."

African Proverb

I went looking for a quote for this article and this is what I found. Very fitting since it's been a busy couple of weeks and it's not over yet. I feel like I could use a little rest.

I won't bore you with every detail, but since a good portion of the last two weeks was spent in service to the Lions, I'll hit the highlights. Sunday July 24 was our Cabinet Picnic and Installation which was well attended and PID Bill Hanson got us all to agree that we would serve this wonderful district in our elected or appointed positions. That same evening, we said goodbye to PDG "Doc" Barr, who was definitely a restless grasshopper in his service to this District. Thursday night I attended my club meeting. Friday the real fun began as I drove to Auburn Hills for my first day of Vice Governor training. From 10am to 4pm, all the First and Second Vice District Governors get together to learn the things we need to know to have a successful year as Governor. This time we started with the basics and got to interact with the other Vice Governors while discussing what belongs on an Agenda and how to run a meeting (with all the normal interruptions and questions), and a presentation on Robert's Rules of Order and Protocol. After lunch, we had an outstanding presentation from Lion Beth Slade regarding all the programs which Leader Dogs for the Blind operates. I'm sure that Lion Beth could have kept our attention for the rest of the afternoon, but we moved on to discuss other things, including what we can and can't get reimbursed for and how to go about it. A bunch of us, including some of the District Governors got together for dinner then headed back to the hotel to start the Council of Governors meeting. Think of this as an extra-large cabinet meeting. I headed for home a few minutes after 9pm. 9am Saturday morning found me back at the hotel for part two of the CoG meeting. I left the hotel at about 3:15pm. Today is Sunday and I'm writing this article (while trying to convince my kitten, Naria, that she doesn't really need to help me type) and this afternoon I have a Project Kidsight Board Meeting. Next week is more of the same with a fundraiser, club meeting, and a club outing all going on. I hope you are all just as busy!

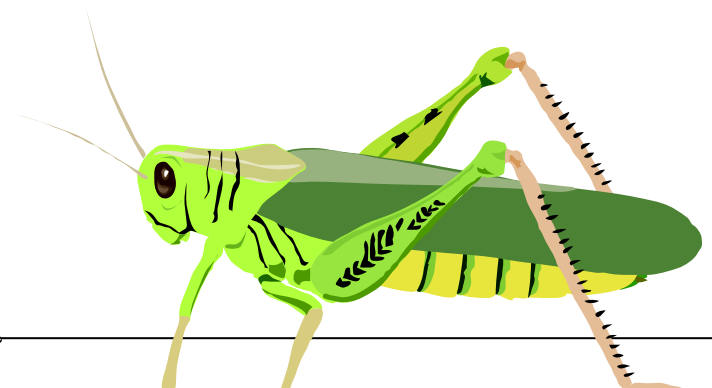

I am charged with visiting the clubs in Region 3 this year, but I will visit anyone who asks. I got to practice my speaking skills while inducting a new member and then the officers for the Mt. Clemens Lions earlier this month, so maybe the New Baltimore Lions will consider letting me try again as they continue to grow.

As we move into August and attend our Cabinet meeting and our first round of Region meetings, let me remind you that these meetings are open to all of our members. Come have dinner with us, meet a new Lion (if you dare!), and possibly pick up new ideas for a fundraiser or service project. Have you noticed that our new International President, Brian Sheehan's motto, "Together We Can" is part of IPDG Jim Leach, Jr.'s motto "Together We Can, Together We Will"? Let's get together and see what we can accomplish!

I know there are times we all feel over worked and in need of rest, but let's be the restless grasshopper and not stop until we have to be lunch for the bird. Don't wait another moment...

Lion Rhonda

Project Kidsight Trainings On Offer, Search Begins for New Operations Chair

No, we did not forget about training! As your Project Kidsight Operations Chairperson, I apologize. Sometimes life happens.

I am working on setting up training, hopefully for a Saturday morning in October. To that end if you have not already sent me your information, please email me your name, and phone number to carousel_girl@hotmail.com. Please use the email address that you would like us to use if you have more than one.

Background checks should be set up shortly and I will email the information to our Screeners and Support workers.

The Board is looking for someone to take over the Operations Chairperson position while I move on with the Vice Governor's duties you have elected me to do. We would like this person to be a certified Screener, as having some idea of what we do and why will go a long way to helping us carry on. It doesn't matter if you work or just have time on your hands. Please consider the good you can do by helping us follow our motto of "We Serve" if you choose to step up. If you are interested, please send an email to me at the address listed above and to our Board President, Lion Cheryl Satterthwaite at cheryl_ann_s@yahoo.com.

Service Orgs Encouraged to Come Together for Celebrate Community Week

The week of September 11-18 has been designated as Celebrate Community week. This is a joint initiative with Lions, Kiwanis, and Rotary clubs to come together in their communities and work together on service projects.

If you have either of these clubs in your community, I encourage you to contact them soon and discuss opportunities you may have. This is a great way to possibly do projects larger than you have been capable of doing, get some publicity, invite the public to assist, and recruit new members.
