DG Dares Lions to Lead

We hear about leadership all the times in Lions. But what makes a good leader? Some traits of a leader are accountability, adaptability, confidence, creativity, empathy, focus, positivity, risk-taking, stability, and a team builder. Do you have these qualities? Do you have some of them? If you said yes, have you stepped up to be a leader in your club or District?

We are continually looking for members to step forward, this is what keeps us going, growing, becoming stronger. If you haven't moved into a leadership position what is the reason? The most common answer is I don't think I can do it (lack of confidence). Please know that everyone supports you and will guide you along. Don't be afraid of failure. Your support system (club) is behind you to help. One of my favorite quotes comes from Thomas Edison when he was asked about inventing the light bulb. He said "I did not fail. I found 10,000 ways that won't work".

I am trying to tackle this year as Governor the same way. I'm trying new ways of doing things we have done the same way over the years, to put a spin on them and see if it helps remotivate us or spark new ideas. Some may work, some may not but we will never know if we don't try. So, I ask you, why don't you try a leadership position? You may surprise yourself. You may find a new or a revived passion. Start small, volunteer to be a committee or event chairperson for your club. Work on your skills and then move forward into a club office, District office, and so forth. I know you can do this. Your club knows you can do it. You just need to convince yourself that you can do it!

At the November round of Region meetings, PDG's Jim and Leo will be doing a presentation on leadership. We are hoping to inspire you, answer your questions, and debunk some of the myths about the time and cost of moving up. Please plan to attend the meetings! We want you to be a part of the discussion, to hear your thoughts and questions.

Also, please remember to bring your socks for the MD11 Sock challenge. We want to continue to show the rest of the State we are number 1. But we are also doing a District challenge by Region. The Region that collects the least number of socks will "win" their Chairperson an additional item for their Cabinet uniform for the rest of the year. The club that donates the most in each Region will earn 2 Tail Twister exemptions for the February round of meetings.

Can you believe it's already November? Where is the time going? This month we first and foremost need to say THANK YOU to our veterans as we honor them. In my opinion, we should do so every day of the year because due to their sacrifice and duty we are able to do what we do as Lions. At the end of the month, we have Thanksgiving. Please take a few minutes to think about the things you are truly thankful for. Focus on the things we take for granted, the things that we are helping those seeking our help for. Take note of these and put them into your service, your passion. Keeping these in mind will help you to be inspired even more to get out and serve.

I look forward to seeing all of you at the Region meetings, upcoming club visits, and events. I also hope you will mark December 9th on your calendar for the District Christmas party at Sterling Heights. It's a great night to kick off the holiday season. The flyer has been sent out. With that, I thank you all once again for everything you are doing. Keep thinking outside the box and doing the amazing job you are!

Being a Lion has great pride! You are doing a great job by giving back and helping your community. Your community sees you as a leader. When people see you out in the community they see a person who cares. I encourage you to continue to lead in the community and find new ways to give back. Expand your network.

"Together We Can" is the motto of our new International President Brian Sheehan. He recommends we think out of the box to grow Lionism. Here are some ways to learn new things and build great relationships with Lions outside your club.

Use the newly revised MYLION APP or use www.mylion.org on your PC. It connects you to lots of information and sites.

MyLCI allows you to view information on your club, district and other points of contact.

Access to Learning modules

New offsite training conferences

New online training

Access to Lions International information

Region Meetings - I encourage you to also attend your quarterly region meetings, all members are welcome. The cost is \$15 per person for the meal. The meeting's purpose is to share ideas and meet like-minded people, like yourself, who care about the community. Some clubs provide reimbursement for attendees to increase participation. Ask your club president if your club has a reimbursement policy. They will also know the time, date and location of the next meeting. If you are interested in finding out more information, I encourage you to contact your Zone Chairperson and they would be happy to help.

A quote from Fred Rogers:

"When I was little and I would see scary things in the news, my mother would say to me 'look for the helpers, you will always find people who are helping'."

"There is a difference between a philosophy and a bumper sticker"
Charles M Schulz

"We Serve" can be a bumper sticker and lots of us have them, whether it's an actual sticker on your car or a pin on your shirt. But "WE SERVE" can also be a philosophy, a way of life that we live and breathe every day. I know that a lot of us are somewhere in between.

As we start our second round of Region meetings, let's see if we can make it a way of life. How, you ask? We would love to see more Lions at the Region meetings. I know that they can be long, and we all have other things to do, but try thinking about them as a way to gather information, whether it's about a new service project or fundraiser, or a way to add pep to an existing event or learn something about our District or Lions in general. Try thinking of them as a fun evening. Try talking to one of our long-standing members about the things they used to get up to at Region meetings. There are some great stories out there! Region meetings are for YOU, as a regular Lion or a club officer, to get out and meet other Lions, gather ideas, maybe set up some fun competition between clubs, like with our Sock collection.

Bragging rights can add a feeling of camaraderie and competitions make us work harder toward our goals. Don't you always work harder if there is a prize at the end? Let's reward ourselves by making "WE SERVE" a way of life. You are serving your Club and District, as well as yourself, by attending meetings and getting to know others who have common goals. Nowadays, we call it networking! The person whose knowledge you may need to take a fundraiser to the next level might be in a neighboring club, but you'll never know if you don't get out and get to know them. So, step outside your comfort area by attending Region and District meetings, meeting new Lions, and learning new things. "Life is what you make it." I have no idea who said that, but it's true. If you attend meetings with positive thoughts, you will find it was worth your time to attend. Then take your positive thoughts back to your club and share them.

"WE SERVE" can be a way of life, not just for those less fortunate than ourselves, but for ourselves, our families, our jobs, and other Lions. I stepped up for 2VDG as a way to serve and I believe it will benefit Lions, but I really believe it will help me to be a better person and Lion. So, I urge you all to step up and serve. You don't have to go all the way to the District Governor spot if that's not where you think you should be, but there are a lot of stops on the way. Join a committee in your club, take on the chairperson position, be a club officer, Zone Chair, Region Chair, etc. And don't think for one moment that being Joe or Jane Lion is not serving, because it is! You know yourself better than anyone else and that means you know best where you should be serving at any given time. Find a place where you feel you fit, but don't forget to test your boundaries now and then.

I hope to see you all soon and until then... Don't wait another moment... make "WE SERVE" a philosophy and not just a bumper sticker!

Respectfully submitted,
2VDG Lion Rhonda

LCIF Update

Because of a day and a half training regarding LCIF, which I recently had in Chicago, I thought you would like to have an update regarding LCIF. Campaign 100 is now over (unless you are paying on a pledge you or your Club made). We are now back (after four years) into regular giving to LCIF. So: 1) any new donations should not be marked "empowering service." Perhaps you would like to give to "Hurricane-Florida" or to the "Displaced Persons" fund to help Ukrainian refugees. (PIP Gudrun visited Poland regarding this.) Perhaps you or your Club wishes to send funds in general, wherever it is needed, in the US or elsewhere.

So many thanks were given to all Lions from PIP Doug Alexander, who is now the Lion in charge of LCIF, to the wonderful Staff of LCIF, to the PIDs who spoke, for the great success of Campaign 100. However, as we know, the natural disasters and other needs will always be with us. It is never-ending.

Our Foundation can do so much more with material help, by way of grants, than individuals or Clubs. Michigan has received, over the years, \$2.3 Million in grants. The Staff at LCIF made known that they want to help us if we feel we could use a grant to be of service. By the way, the United States is not the largest donor to LCIF so, other countries who contribute to LCIF, may be helping us out! Let's help each other!

Thank you for all you are doing! Please, get your contributions in so that District 11A2 has an idea of where we are regarding our support to LCIF for 2022-2023. Remember, it is a Governor's Goal with 100% Participation. Has your Club contributed yet?

The Bear Lake Latest

GENERAL UPDATES

As stated in the last report, the camp is rented out through November. After November is the slow time of year; it's the time to work on the cabins. We will not be closing down the cabins this year. The heat and water will stay on.

CAPITAL IMPROVEMENT UPDATE

December and January is the perfect time to clean and put on a fresh coat of paint in the cabin bathrooms. This will complete the renovations on all the cabins.

The three new pavilions did get painted.

Please contact the camp directly if you or your club would like to help clean and paint the bathrooms. Talk to Executive Director Traci or Jesse to set up dates and times for this work. The trails did get cleaned up for the Ultra Marathon, thanks to Lion Jack and Lion Adam Becher, along with Lion Jim Lykins.

FUNDRAISER UPDATES

The Ultra Marathon was a great success with more runners and sponsors this year. Thanks to chairman Rob Lykins and all the volunteers that worked this event.

The Wine and Craft Beer Tasting was another success. Thanks to Co-Chairs Lion Brian Betzold and Lion Jack Becher for putting this together. Special thanks go to Rick Fleming at the Metamora Golf and Country Club for the great food, wine, beer and desserts, and to DG Traci Tribley and the camp staff for stepping up and helping out with so many things that night. We had more sponsors than ever before. Thanks to Metamora Golf and Country Club, Great Lakes Wine and Spirits, the View Newspaper, Jim Riehl's Friendly Automotive and the Lake Orion Lions Club.

The next fundraiser event will be Sub-Zero Hero Polar Plunge on Saturday February 18, 2023, at the camp. This is a new event put on by the Lions Bear Lake Camp staff. This is a fun family event. See all the details on the attached flyer. There are over 50 people already signed up, and all MD11 and SD10 governors were challenged by DG Lion and Executive Director Traci Tribley to be part of the cold event.

Remainder to put on your calendar is the Lions Bear Lake Camp Annual Buffalo and Boar Wild Game Dinner on April 8, 2023. Tickets for this event will be available January 1, 2023 and a limit of 250 tickets.

Local Lions Dive Into Festive Service Opportunities

October has been a busy month for the Ortonville Lions Club!

Lion Elizabeth Rheame and Lion Linda Owen volunteered their serving and people skills at the O.A.T.S. (Offering Alternative Therapy with Smiles) fundraiser held at the Eastern Market October 7. With their help, \$3000 was raised for this wonderful organization. Thank you, Ladies!

The Mint Sales held at Bueche's Food World October 15-16 netted \$871! Many thanks to Bueche's for allowing us to "set up shop" in their lobby and to everyone who either purchased mints or made a donation to the Lions Club.

October 29, the Ortonville Lions Club participated in the O.A.T.S. "Stall or Treat". Our stall's theme was Wizard of Oz and Dorothy, the Scarecrow, the Cowardly Lion and the rest of the merry crew dispensed candy to the trick or treaters! "Tip" jars were set out and money was collected based on how well your stall was decorated. The "tips" were then donated back to O.A.T.S. We didn't take first prize but came close! Much fun was had by all that attended.

Last night, at the Halloween Night in the Village event, we manned the steps of the Old Town Hall building and passed out candy to all the little, and not so little, goblins and ghoulies. We also collected used eyewear and passed out cards for Glenda's Closet, an organization that provides Halloween costumes to underprivileged children in the community. What fun and what memories were made! It was wonderful participating in this event and everyone had a great time.

Our sights are now on November! Nut sales have begun so contact any member if you would like to purchase a can. They are high quality and for \$25/can, would make a great Christmas present. Our regular meetings are held the second and fourth Wednesday of the month, 7pm, at the Old Town Hall building in downtown Ortonville. Following a brief business meeting on November 9, we will have our Thanksgiving potluck. There will not be a meeting on the 23rd. If you would like to find out more about the Ortonville Lions Club, feel free to stop by or reach out to us through this page. It's a great organization which has served this community since 1966!

On Thursday November 3, 2022, Lion Jim Lykins of the Lake Orion Lions and PDG Leo Schaefer of the Armada Lions. Made the presentation of the mailbox to Leader Dog School for the Blind Rochester Hills. This mailbox is to collect used eyeglasses and hearing aids for 11 A-2 District Lions Clubs.

A little over a year ago a friend of Jim's said he had 5 mailboxes in his shop and wanted to get them out would Jim be interested in having them. When Jim mention to Leo what he had, they talked about making them collection boxes for used glasses and putting them around the district. It took this past year with the help of many good Lions to make this happen. Jay Caldwell of Meineke Shops, Kelly Wojcik of K&T Kustom Kollision and Dan Cook, of Cooks Signs Plus. All members of the Shelby Lions. To get this project moving in the right direction. Help also came from the Lake Orion Lions as well as Ortonville Lions. The other 4 boxes or being finished as of right now with the help of the Washington Lions Club.
