Outgoing DG Reflects On Year Of Service

30, 29, 28 1 days left of my term as District Governor. I must start by saying THANK YOU to each and every one of you! You have truly made this the best year of my Lions journey. I need to thank you for your hospitality, your kindness, your friendship, your compassion, all of your efforts this year to serve your communities, our charities, and our mission as Lions. All of you stepped up this year in a big way and I sincerely appreciate it but more importantly, those lives that you touched appreciate it. I need to thank those of you who stepped forward this year into new positions. I know you had some reservations about it, but I hope you realized how fun it was and you will now consider moving up the ladder on your journey as well.

As our International President Brian Sheehan would say, "You are Awesome!". IP Brian's theme this year was Together We Can, and I really believe we took that to heart and did an amazing job. Whether it was all of us uniting in the sock challenge or coming together at our District Convention and making blankets, or simply helping or supporting each other's clubs at one of their events, we did it! This is how I remember Lions when I started many moons ago and I think it is great to see things getting back to that. We are a big family supporting the same causes so let's continue to help each other succeed because in the end, the winner is those we are helping.

IP Brian also challenged us to think outside the box this year. I know many of you did and I hope you were successful or at least encouraged to continue with some tweaks. We can't be afraid to try something new or make changes to an existing project. We also must allow and support our new members ideas and let them roll with it. This is how we grow as a person, Lion, and organization. Remember- The past is behind, learn from it; The future is ahead, prepare for it; The present is here, live for it.

As a District, we tried some new things as well. Some were a hit, others we need to retool. But you never know the result unless you try. But the one thing we tried to do, and I feel we have laid a good base for is to bring back the FUN in Lions after Covid stripped us of it. I honestly believe that if we are not having fun doing whatever it is, then we are not doing in correct. So, please keep up this energy level. As I wrap up this year, I want to challenge each of you for the next year. I want to ask each club to try one new project. But also, invite non-Lions to assist you with it. Show them how awesome we are and how much fun we have serving those in need and all the good we feel inside from it. Let's hook them with service and see how we can grow. People want to serve; they just don't know it. So, let's show them and help them to realize it.

I want to wish DGE Kelley, her Cabinet, and all of your clubs the best for the upcoming year. Keep the ball bouncing and we will reach greater heights than ever before. I am not going to ride away into the sunset. I will be around; you can't get rid of me that easily! If there is anything I can do to assist you, please reach out to me. I am more that happy to help in any way I can. Again, from the bottom of my heart, I thank all of you for making this last year the greatest.

2VDG Monthly Submission

"You can never say thank you enough. We all must remember that we didn't get where we are on our own. Acknowledge people, appreciate them." - George Raveling

First, thank you to each and every one of you! It has been an honor and a pleasure to "Serve" as "We," united together to accomplish goals and learn new ways to get to the finish line. I have learned a lot about myself and a lot about the Lions over the past year and thanks to you, I see more learning in my future (no, that's not a bad thing.) The opportunity to continue to serve is something I take to heart and not for granted. I never thought I would be in this position when I became a Lion. I thought I could sit in the back of the room, help when necessary, keep a low profile, that sort of thing. It didn't take long for me to see the error in those thoughts! I found that I enjoyed helping and though I am still somewhat shy, (I know you are all laughing!) I found that the Lions around me had faith that I could do things and that helped me to build enough self confidence to say yes to stepping forward to do those things. Sometimes you just have to say yes because you know people are counting on you. There is no test like having someone stick a microphone in front of your face and say, "We need you to call a couple games of bingo tonight." I just sat down and did it! Thank you to Lion Charlie Zech since he was holding the microphone. He has since passed away, but I'm forever grateful.

Thank you to all the people I have "served" whether it be you as Lions, or kids I screened through Project Kidsight, or all those whose lives we know we touch although we never get to meet them. You have given me a reason to get out of bed in the morning, and some days I really needed the push.

Thank you to DG Shawn, who has communicated with myself and DGE Kelley all year, keeping us in the loop about progress and problems and little reminders about things to look for and plan for during our year in the hot seat. He's been a wonderful example and I'm grateful that I got an extra year to help prepare myself.

I could not possibly list all the people who have given me words of encouragement, smiles, hand claps, or numerous other things to keep me going in the right direction. Thank you for giving of yourself since it allowed me to give of myself.

July starts a new year, a new chance to step forward, a new chance to be something you never even thought of, much less thought you could be. Give yourself a chance to grow by saying "yes" the next time someone asks. All of life is a learning experience, so take the opportunity to do something new and different. You just might surprise yourself and enjoy it!

Don't wait another moment...Go say "Thank You!"

2VDG Lion Rhonda

I truly appreciate you!

Bear Lake Update

Hello Lions and Leos!

It's been a couple of months since you saw a camp update letter. Lots have happened since then. We had two fundraisers that were very successful. One was the Sub-Zero Hero Polar Plunge and the other was the Buffalo and Boar Wild Game dinner. Next year both of these will be bigger and better.

On May 7, was the camp's first "Bridging the Gap" program. Thanks to PDG Fran Grabowski for creating and directing this event, helping DG Traci Tribbley, PDG Ron Coleman and myself to fulfill our roles; it was fun and a great success. The Five State Project "Bridging the Gap" programs were a great way for all Lions to see what our state projects are all about, and how they can help you and your community.

CAPITAL IMPROVEMENT UPDATE

All the cabin bathrooms are completed with new paint and lights. They look great and ready for our season to come. The main lodge got a makeover as well. Freshly painted with a new color, and new ceiling lights were installed. This spring we will get a new high ropes course installed. This is the only accessible one in the state. All the money was secured thru grants.

Also, thanks to all the Lions Clubs around the state of Michigan; because of their donations, we will have three new golf carts. One of the new carts were on display at the MD 11 Convention this month. On May 13, 2023, we had our annual Work Bee. Many came out and helped us spruce up the camp grounds and buildings for opening day for our campers.

FUNDRAISING & EVENT UPDATES

We have several fundraisers coming up. On July 14, which is a Friday night, there will be a Baseball Game and Picnic at Jimmy John's Field in Utica, MI.

On August 20, we have our Golf Classic Outing at the Metamora Golf and Country Club.

October 7, the Ultra-Marathon will take place at the camp.

October 20 will be the Wine & Brew Tasting at the Metamora Golf and Country Club. Some new events will be happening this year as well.

Camp Open House will take place on July 2, 2023, for all Lions and non-lions.

Lions of Michigan Weekend will happen on August 25 & 26, 2023. This is for DGs, VDGs, District Committee Chairs, GAT Team and New Lions.

For flyers and more information about the above, please go to the camp website or Facebook page.
