March 2017

## Roaring News

Serving Oakland and Macomb Counties

[www.lionsdistrict11a2.org](http://www.lionsdistrict11a2.org)

Happy March and Happy St. Patrick's Day to you!

The District Convention in Holland is right around the corner. After attending the District Euchre Tournament and seeing all of the crazy socks that people wear, I have decided that at the Mixer on Friday Night we are going to have a "Crazy Sock Contest". So you have time to pull out your crazy socks or purchase a new pair. Prizes will be awarded and you will be the judges. There isn't a scheduled tour on Saturday but I will tell you the first Saturday in April (April 1<sup>st</sup>) there is an outdoor Winter Market. So bundle up and visit the vendors off Pine Avenue for fresh local breads, root

vegetables and more. Also, don't forget to send PDG Rich Pfeiffer pictures of your members who have passed away during the last year so they are included in the Memorial.

Speaking of District Euchre Tournament, Congratulations to the Eastpointe Lions Club for taking first place. They will host the tournament next year.

Are you going to the International Convention in Chicago? There are some changes for those of you experienced conventioners. The Exhibit Hall will be open two hours longer. Voting/Certification will be on Sunday, Monday and Tuesday morning. Voting will take place when you get Certified and you no longer have to wait to vote as a group. You can go to any Booth or any Language to Certify and Vote, so if 'English' has a long line, move over! There will be a Business Session following the parade. The International Shows are Saturday, July 1 at 5PM featuring the Beach Boys and Monday, July 3 featuring Chicago. Exhibits will be open during the shows.

The Charlie Daniels Band, The Blues Brothers and The British Review (Beatles type) will be at the Plenary Session and Patti Labelle will be interviewed by International President Bob Corlew. There is a rumor that she may break into song. What a fabulous group of entertainers! Be sure to check your program.

The first 100 people that register for Michigan Night at Tommy Gun's Garage will receive a \$20 refund when they walk in the door. If you are marching in the parade be sure that you get your Lions of Michigan shirt ordered through the State Office.

Congratulations to Lions Dana Freers, Patrick O'Dell, and Kimberly Thiede from the Fraser Lions Club, the Fraser Lions Club and Freers, Freers & Freers Law Firm for a successful fundraiser for the Sink Hole Victims. The 150 guests and several businesses from Fraser were very generous as over \$7200 was raised. This money, in conjunction with funds that Lion Kimberly secured from the Lions of Michigan Service Foundation, amounted to over \$10,000 which will go to the families affected by the sink hole. Way to go Lions Dana, Patrick, Kimberly and Fraser Lions!!

Have a great month! Remember membership and retention are the keys to our success!

District Governor Patti Barr

Who`s on first and who`s on second?

Are these the questions that your club is asking both yourself as a Lion and your club as a whole about obtaining and retaining new members?

As we enter the next century of Lionism our mission is to reach the next plateau by expanding our outreach to the youth and to middle-aged individuals who could become our next family members or even our future leaders. We can start this, as many current Lions have, by approaching coworkers, neighbors, spouses, children, grandchildren and friends. It could start with a simple question, "Do you know what the Lions Clubs are"? If we can do this just once a week, you never know how it will turn out - maybe with a new prospect!

Within the next few weeks we will be at our 11-A2 Convention in Holland. What an exciting time to have a chance to see our fellow Lions from other clubs! I am sure that Governor Patti will have a great event and I personally look forward to the opportunity to be elected as the next District Governor.

Words cannot describe how excited I am for the chance be your Governor and to attend the International Convention in Chicago. I will be placed into a group of 31 District Governors, part of 743 District Governors from throughout the world. To have the experience of talking with them and exchanging ideas is truly something that I will cherish for the rest of my life. If I can just bring one thing back to help our district, the last three years will have been worth it all.

Just a reminder that the next Cabinet Meeting on April 12th is being held at the Oakland Technical Educational Center located at 1371 North Perry in Pontiac. The entrance is in the rear with the doors opening at 6:00 and the meeting beginning at 6:45. **THIS IS A NO SMOKING / NO ALCOHOL CAMPUS.**

Did you hear about the frog who was told by a fairy that he would meet a girl who wanted to know all about him. He asked when and the fairy said "In Biology class next semester".

Yours in Lionism,

What a busy but fun time was the end of February and the first of March!!

Starting in the middle of February, we had our Region/Zone meeting with great reports given by many clubs!

Then, the last weekend in February was nuts!! On Friday the 24<sup>th</sup> was the East Pointe Steak and Shrimp Dinner (great turn out, great dinner); Saturday morning was the Penrickton pancake breakfast at Lathrup Village (the best they have had according to Lion Dick Maxwell); and then that same evening we had the "Lake Orion Taste of the Town" dinner.

The cool thing about all the above events was that the majority of the people attending were not Lion members of other Clubs. Most of the folks were from the community that the event

was serving, and that's what it's about. Get your community involved in your Lions events, and just maybe you might get a member out of it.

Then, Sunday morning was the District Euchre tournament which was hosted by the Lake Orion Club but held at the Fraser Lions Den. Thank you, Fraser, for hosting!! Thanks to East Pointe; they got lucky and won, so they get to host the tournament next year. **Thank you** East Pointe!! We need better participation from the District on this event or we might lose it like we lost the District Bowling Tournament. Maybe someone can tell me why we are losing participation in these types of events?

So, the end of this month is the District Convention in Holland. This again should be a fun event. I personally, along with Lion Charlotte, have not yet been to Holland, so we are taking an extra day or so to scope out the town.

So that's it for now. I want you MATURE Lions to remember to back off from the leadership roles, become a MENTOR and let your younger Lions take a chance.

Yours in Lionism,

Lion Jack Patton, 2<sup>nd</sup> VDG

I made a resolution this year to visit people who are in nursing homes. There are so many people without families or friends who would love a little company. My mom is in Martha T. Berry Medical Facility in Mt. Clemens and I visit her frequently. While there I take the time to visit with some of the other people who have no one. They cry because they are alone in a place that is not their home with people who don't spend any time to just talk. There are nurses and aides but no one who stays and talks with them. If you have the time, please stop at a local nursing home and make a friend!

Reminder...

Lion Leo and Lion Dave will be at all Region Meetings to collect used eye glasses. Please bring your glasses in sealed boxes and without cases. They also will collect any used hearing aids.

Many thanks to  
Lion Larry Cole,  
Membership  
Statistician, for  
providing this  
information..

# An Important Announcement

To all clubs in district 11-A2,

The 2017 District Convention will be here sooner than we can imagine. With that in mind, I and others will be planning the Memorial Service to remember those members who are no longer with us. We will be compiling names of deceased members from several sources including those names each club will offer.

A suggestion has been made that pictures be available when deceased members' names are mentioned. We are asking that each club locate and forward a picture of each member who will be remembered in the Memorial Service. PDG Rich Pfeiffer will collect the pictures and put them in a Power Point format to be used during the Service. If each club could send the pictures electronically to PDG Rich at [pdgrich@yahoo.com](mailto:pdgrich@yahoo.com), as each deceased member is remembered, a picture will be available for all to see. If that is not easily possible, a photo can be scanned into the presentation please contact either PDG Rich or myself and we will try our best to make it happen.

Also, by this letter, I am requesting (as I have in past years) that each club send me a notification of any member who has passed away since our last district convention. Please send the name of the deceased member, your club name and, if possible, the name(s) of those who will be talking briefly about the member.

Thank you for your help.

For the third year in a row, the Royal Oak Lions Club has received the top bell-ringer award in the Salvation Army Red Kettle Drive, easily out-ringing all other service organizations in southeast Oakland County. Twelve Lions and their family members logged 112 hours in 2016 to collect \$12,800, which includes an astounding \$4746.27 raised on the day before Christmas alone! In the photo above, Salvation Army Captain Peter Mount is flanked by Lions President Maureen Kennedy and bell-ringing chairman Lion Bob Westbury.

# What's going on around the District?

A large crowd attended the 13th Annual Pancake Breakfast for the Penrickton Center put on by the Lathrup Village Lions

The Lake Orion Lions Club presented their second Annual Taste of the Town fundraiser which featured food from over 20 local restaurants. It looks like someone REALLY enjoyed themselves that night, eh Lion Bob?

PDG Bob Wylin of Armada has been diagnosed with End-Stage Kidney Disease. He is looking for a type O Positive kidney donor. He has been approved as a candidate for kidney replacement through Beaumont Hospital. However, the wait for a kidney can be from 3 to 5 years.

Bob has had a 70# weight loss during the last 3 years, and his failing 71 year-old body cannot afford the wait. We are asking for prayers in our search for a donor. Bob has a long and active history in Lionism, with nearly 40 years of service. Please keep Bob in your thoughts and prayers and do what you can to spread the word about his search for a kidney donor.

Social media has proven to be a very effective way to reach thousands of people. Please be sure to mention Bob in a post to your friends and family. Recently in northern Michigan, a donor and a recipient were united through Facebook and a successful transplant took place at U of M hospital in Ann Arbor.
