Greetings, Fellow Lions!

I sit to write this note to you just days after the Cabinet Installation Picnic which was held on July 19th in Lake Orion. I was so impressed and moved as I looked around the hall that day and saw so many selfless and service-oriented folks gathering to welcome their new leadership. Good food, good fellowship and a rousing Pledge of Allegiance to our flag were among the highlights of the day! Being in the company of such people makes me proud to say that I am a LION!

I have received some helpful feedback from across the District regarding the first issue that I put out last month, and I plan to incorporate many of the suggestion in future issues. One problem that I encountered was rejected email addresses; approximately 16-20 members who were previously on the list to receive the newsletter were rejected for one reason or another. Please get the word out to your club that they only need to send me their email address in order to get on the list!

Submission for the newsletter should be sent to jboomer1965@gmail.com no later than the 20th of the month preceding the publication of the next edition.

Yours in Lionism, Lion Jim Boomer

District Governor Jim Leach, Jr

Together We Can, Together We Will!

Many Past District Governors have told me that this year will fly by. That is one piece of information I can definitely agree with! Where did July go? It has been a very fast first month that is for sure. July started well, there was a few problems, but all in all, a good month. There was the first of two Club Officer Training sessions, it was a little light on attendance. There is another one coming up on August 15th, so if you missed the first one, you have another opportunity. We had the District Installation picnic, what a great turnout! I would like to thank all of you that came out. The food was fantastic! Thanks again to the Lake Orion Lions Club for all of the hard work putting this event on and supporting me.

As of today, and I am writing this very, very late in the month, I have not received any club updates to be put in the newsletter. Hopefully all of you Club Secretaries and Presidents have sent them onto the District Editor. If you send them in, they will be in the newsletter.

We have the first District Cabinet meeting coming up on August 20th. It will be hosted by Region Chair Scott Berry and the Eastpointe Lions. Look for the flyer in the newsletter. This will be a casual dress meeting as the Cabinet will be wearing their new shirts, so please come casual and enjoy yourself. Also, don't forget about First Lady Kim's special project, "Coins for Camp." The big jar will be at the meeting and ready for your change.

The new District Roster books are out, each club will get a book for their President, Secretary & Membership Chair. If you are listed in the book, you also get one. If anyone else would like a book, please see Cabinet Treasurer Jim Pettinato for one, the price is \$5. Speaking of the roster book, I apologize for the mistakes in the book and I want to thank PCC Frank Cunningham for sending out the correct information.

Thank you for all you do and all you serve.

Talk to you next month.

Governor Jim

District 11-A2 Installation Picnic

The District Picnic and Installation of Cabinet Officer, hosted by the Lake Orion Lion's Club, was held on July 19 at the Knights of Columbus Hall in Lake Orion. There were approximately 100 Lions and Lioness in attendance and a great time was had by all!

IPDG Tom "Too-Tall" Hill passes on the torch of leadership to District Governor Jim Leach, Jr.

Governor Leach addresses his newly-installed Cabinet of Officers, an exceptional group of dedicated leaders!

PCC Paul Hemeryck presented PDG Jim Leach, Sr. with a photo commemorating him pulling his son's ribbon off at the Lions Clubs International Convention in Hawaii. Jim Leach, Jr. performed the same honor for his father when he served as Governor in 1985-1986.

The Legacy of Service continues...

Watch out for this guy!!

Jim Leach, Sr. installed Joe Hildebrand as the District Tail Twister.

News from the...

From your District Global Membership Team

Lions of District 11A2:

Congratulations, we had a great run last year of new members! Our District was number one in the state for new membership. So, with that, the Gold Ribbon program will continue for this coming year. If you already have a Gold Ribbon, you may keep it.

If you sponsor a new Lion this year, you will get a Gold Ribbon, if you don't have one, plus a sponsor pin. This sponsor pin will come with the new member packet from LCI.

Every club should order new membership packets to get the sponsor pins, and also updated, signed membership certificates. Contact your Zone Chairman for gold ribbons and additional purple ribbons.

The GMT will be meeting in the near future to get our game plan for this coming year. If you would like the GMT to present a program for retaining club members, and creating new ways to attract new members for your club, please let us know and we can set something up. Club Presidents and Club Membership Chairpersons, check your District 11-A2 Roster for contact information.

Let's make this another banner year for your Clubs and our District and District Governor! "Together We Can, Together We Will!!!"

Yours in Lionism,

Lion Jack Patton, GMT District 11-A2 Coordinator

Alone we can do so little...

Together we can do so much!

First Vice-District Governor Patti Barr

“RAISING THE BARR!!!”

It's hard to believe we are already into our second month of our new Lionistic year. International Convention in Hawaii is over; everyone is home with wonderful memories. This is a special year with Governor Jim following in his father's footsteps, PDG Jim, Sr. PDG Jim installed the District Officers at our recent Installation Picnic. He comically installed himself as Cabinet Secretary! Well done! Thank you all who attended, we had great food and fellowship. Look out, we have another wild TailTwister.

I have been invited by Eversight Michigan to a Lion and Lioness Leadership Workshop followed by a baseball game. I am looking forward to learning more about Eversight. Leader Dog is hosting a Lions Summer Visit for 1st Vice District Governors, so I will be spending a full day learning more about Leader Dog this month. Just when you think you know it all, they teach you more. (Not that I ever thought I knew it all)

Governor Jim, 2nd VDG John and I are continuing to split our visits in the District. I have Region 3 and I will make you my priority but I am more than happy to visit Regions 1 and 2 if you would like. But please know I will not be contacting you for a visit. I will try to attend events throughout the District as my calendar allows.

Oh incidentally, in order to serve the District better, I have retired! Okay, well that is only half true. I received an offer I couldn't refuse but it makes things much easier for me to attend activities and meetings held during the business day.

Save the date! We have a Cabinet meeting Thursday, August 20 hosted by Region 3 Chairman, Scott Berry. FYI, Governor Jim has announced the Cabinet will wear their casual uniform.

From the Cabinet Treasurer...

CT Trotting

Welcome to the 2015 – 2016 Lionistic year.

Roster books were distributed at the installation picnic and if your club did not get theirs they will be available at the August cabinet meeting.

Each club package contained a letter from our District Governor, dues invoice and roster books for club President, Secretary and Membership Chairperson. Additional books are available at a cost of \$5.00 each.

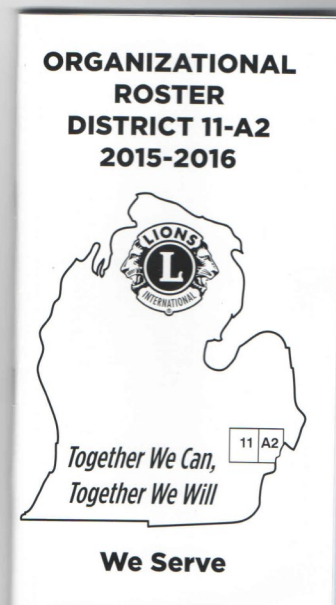

Please submit your club dues as soon as possible as the district has already been invoiced by the Lions of Michigan State Office.

Dues invoices for the clubs who did not get their package will be either emailed or snail mailed later this week.

If you have any questions please contact me.

The Forum is coming to Michigan this September and the Lions of Michigan are hosting this great event where you can meet Lions from all over North America. The Forum is being held in Grand Rapids at the Devos Place Convention Center, September 17-19.

We are still looking for District 11-A2 Lions, Lioness and Leos to register for the event.

Registration forms are available on the Lions of Michigan web site (www.lionsofmi.com) under the calendar of events.

We are also looking for volunteers to work at a number of positions during the forum and the sign up form is included in this newsletter (see next page).

If you are going to the forum please consider helping us make this a very successful event as we have six Lions from District 11-A2 on the Host Committee.

Please contact PDG Ron Papa or myself if you have any questions.

To build global leaders in community service through developmental programs and inspirational activities that support the core values of The International Association of Lions Clubs.

Join In the Legacy at Leader Dogs for the Blind

Since the first bulldozer pulled on campus in August 2014 (top picture) to where we are now (bottom picture) is the most comprehensive renovation project this building has undergone. The Caine Development Center is aptly named because it isn't just our kennel but houses puppy development, a veterinary center, breeding program and the staff and volunteers. At any time, we can house up to 310 large dogs in this facility—it will, when complete, cover almost 80,000 square feet. Parts of the current building date back to the 1950s.

"It was state of the art in the 1950s but today our clients travel in more complex environments to get to work, school...we need to raise a much different type of dog to handle these changes," states president and CEO Lion Sue Daniels.

The Lions have reached \$1.6 million of the \$3 million goal in the first year. "This is such a huge commitment from the Lions and it is coming in gifts of all sizes. Lions started Leader Dog and their support is still as important today as it was in 1939", states Lion Mike Dengate, Lions capital campaign manager.

To find out how your Lions club can get involved in this legacy, go to LeaderDog.org or call your Leader Dog chair for a presentation.

ABOUT JDRF ONE WALK™

Please Join our Team
on the JDRF WEBSITE

EVENT: Metro Detroit/Warren September 27, 2015

COMPANY: Lions Clubs District 11-A2

We're taking steps to help JDRF progressively remove the impact of type 1 diabetes (T1D) from people's lives until no one has to fear developing this disease. By joining our Walk to Cure Diabetes team and making a donation to JDRF, you'll raise money to help fund critical T1D research and create a world without T1D.

Type 1 diabetes is a life-threatening autoimmune disease in which a person's pancreas stops producing insulin. It strikes both children and adults suddenly and changes life as they know it forever. It cannot be prevented and there is no cure.

JDRF is the only global organization with a strategic research plan to fight T1D. Every dollar JDRF is able to direct toward research comes from donors like you.

The challenge we've set ourselves - to raise money for JDRF and to walk - is modest compared to the daily challenges of life with T1D, which involves a 24/7, unrelenting cycle of blood sugar testing and insulin injections to manage the disease.

Will you accept the challenge to make a difference by walking with us? Just click on the "Join this Team" button, make a donation, and start fundraising.

Thank you for your support, and we'll see you on Walk day!

There will be a potluck dinner Saturday at 5:00 PM at the pavilion. Dogs, and Burgers will be provided, **please bring a dish to pass**. The potluck dinner has always been fantastic, plenty of delicious food, and great friendship shared by some of the greatest people in all of Lionism. The people that have gone to this in the past have always had a good time. If you have never been, you are missing a good time. Please come and join us.

Please be advised that a reservation for a site or rental may include no more than 2 adults (18 and older) per campsite. Any one registering more than 2 adults per site will be charged \$5.00 per person. Anyone wishing to have additional **family** for dinner will be charged \$5.00 per person **and a dish to pass**. This is being done to make it fair for everyone and so we will have enough food for dinner. Please remember to **REGISTER** your guests for dinner and camping so we will know how many to cook for. I'm sorry, dinner only guests (other than family) cannot be accommodated any longer.

The closing date for cancellations will be August 15th 2015. Anyone canceling after this date will forfeit his or her monies. Sorry, park policy.
