Greetings, Fellow Lions!

As all of you are aware, the Christmas season is often the busiest time of year for our clubs as we all pitch in to make the holiday a good one for those less fortunate than ourselves. As you work to make great things happen for the people in your community, take the time to include young people in your efforts. If there is a LEO Club in your area, reach out to them and let them lend you a hand. If you do not have a LEO Club then ask your children, grandchildren, or members of your community high school's National Honor Society to volunteer along with your club.

I was shocked to recently learn that membership in service clubs has declined 58% over the past 25 years. For Lions Clubs in Michigan that translates into a reduction from 26,000 members to 15,000 members over the same time period. Attracting young members is key to guaranteeing that Lions Clubs will be able to continue to serve communities around the world for generations to come!

Remember, submissions for the newsletter should be sent to jboomer1965@gmail.com no later than the 20th of the month preceding the publication of the next edition.

Yours in Lionism, Lion Jim Boomer

District Governor Jim Leach, Jr

Together We Can, Together We Will!

I hope everyone had a great Thanksgiving and spent time relaxing and thinking about all that you had to be thankful for. I am thankful for being given the opportunity to be Governor of this great District and to be able to meet all of you.

We had our second round of Region Meetings in November. The attendance was down a little but everyone who came out got to hear how Bear Lake Camp is doing and find out a little more on how they operate and who they serve. I would like to thank Lion Dennis Tomkins for coming out and putting on that program, it was very informative. November saw Veteran's Day being recognized. This is something that needs to be more than just a day. ANY day, you see a Veteran, thank them for the job that they did or are doing to keep our country safe. They deserve all of the thanks that we can give them and so much more.

December will see the third Council of Governor's meeting, this is always a good meeting as this is when all of the Governor's decide who gets awards this year. I have my thoughts on some very deserving Lions so hopefully they will be selected. I am sure with it being December, many clubs are well into their busiest time of the year. From Christmas Parades, to selling candy canes, nuts, newspapers or whatever to putting together food baskets for the needy in your community, it seems like every club has some type of activity planned. I hope all of you are successful in everything that you do.

Our third Cabinet Meeting will be coming up in January so look for more information on that soon.

Coins for Camp update: Project is going great! Many of you have generously donated to First Lady Kim's special project, and the big jar is getting filled quickly. To date, there is over to \$500 in there! Thank you all very much for your generosity! The jar will be at all of the District meetings and ready for your change.

From my family to yours, I wish you a Merry Christmas and a Happy New Year!

Thank you for all you do and all you serve.

Talk to you next month.

It is with great sadness that I announce the passing of PDG and current Cabinet Secretary James Leach, Sr. Jim passed away this afternoon, December 6 after a brief illness. Arrangements are pending and will be forwarded out to the District . Please keep Governor Leach and his family in your thoughts and in your prayers as they navigate through this difficult time.

In light of Jim's passing, the District Christmas Party scheduled for December 11 has been cancelled.

This photo of Jim Sr. and Jim Jr. embracing was taken at our Governor's Installation this past Summer. The dedication to Service Above Self in the Leach family spans generations and provides inspiration to each none of us. Today, our District bids farewell to a True Lion!

First Vice-District Governor Patti Barr

“RAISING THE BARR!!!”

As we recuperate from the Thanksgiving holiday, the overeating, the Black Friday shopping, the Cyber Monday shopping we move into December with a much busier schedule. We have the Leader Dog Kick-off to look forward to on December 3rd. Penrickton Christmas Party, December 7th. The District Christmas Party on December 11th, Governor Jim asks you to wear your ugly Christmas sweater and I will be making a couple of official club visits this month.

I had an interesting Thanksgiving. My mom was preparing the turkey when we received a phone call What do I do about a turkey that has black spots? Doc's first reaction was cut the black spots off, but I went to Google (oh, thank goodness for Google). Google says – throw it out – do not eat it, it's been in the freezer too long to be edible. Well luckily it was purchased at Meijer's and they were open, so mom trots the turkey back to Meijer's. They gave her a thawed turkey, no questions asked. Mom gets it home, unwraps it, calls me and says “if this turkey is thawed, I am the Queen of England!” It's strange how occurrences put life in perspective. That morning my brother's father in law lost his battle with cancer. After mom and I talked we decided that a Turkey on Thanksgiving was not what was important - We had ham!

My thoughts and prayers are with 2VDG John after his brother has passed away. John was beginning his recuperation from knee surgery when his brother's health took a turn for the worse. John was able to get to him before he took his last breath. How proud John must be as a military funeral will take place in Tennessee.

On the lighter side, my prayer for December is: Dear Lord, Please don't let Doc be home when all my online orders arrive. Amen. Doc seeing this prayer says the opposite, Dear Lord, Please don't let Patti be home when all my online orders arrive. Oh boy, are we in trouble or what.

Enjoy your holidays, have fun and stay healthy.

Happenings Around District 11-A2 . . .

The Fraser Lions Club, along with local boy scouts and girl scouts, packed up some 400 sling-style backpacks full of snacks, reading materials, toiletries and many other items. The items were donated by companies

and families from the Fraser area. The backpacks will be delivered to Navy men and women aboard the USS Harry Truman aircraft carrier, helping to give them a very Merry Christmas.

In keeping with the Thanksgiving holiday spirit, Governor Jim Leach, Jr. was presented with a festive hat during his visit to the Roseville Lion's Club. First Lady Kimberly Leach spent the evening with a real turkey!!

The Lion's Leadership/ Graduate/Master's Institute was held on November 13-15 in Higgins Lake. The Institute provides 3 full days of top-notch leadership training in areas such as conflict resolution, speaking skills, team building and managing change. Paul Hemeryck is shown here addressing the graduating class on the final day.

Pictured here are several of the instructors and facilitators that made the Institute a great success. From left to right are Mark Miller, PDG Jim Pettinato, PDG Karen Routson (hiding behind the flag!), Kimberly Thiede, PCC Nancy Lampman, Jack Pyle, and PID Bill Hansen.

Each evening during the Institute the students were given ample time to unwind, socialize and enjoy various types of entertainment. Shown here, ZC Wally Stamper and company enjoy a friendly card game in the lodge after a long day of classes.

Lion Richard Snitgen, a member of both the Macomb and the Pigeon Lion's Club passed away on December 2 at the age of 71. Memorials may be directed to the Penrickton Center for the Blind or to the Be the Match Foundation.

PDG 11-A1 Glen Grosteffon of the Bedford Lion's Club passed away on November 25 at the age of 76. Memorials may be made to the Lion's Club of Bedford Township.

A lion with a large, golden-brown mane stands in a savanna landscape. The background features a bright, glowing sun or moon low on the horizon, casting a warm, golden light over the scene. Silhouettes of acacia trees are visible in the distance. The word "Welcome" is written in a large, elegant, cursive script in a dark brown color, positioned in the upper left quadrant of the image.

Welcome
