Greetings, Fellow Lions!

We knew it would happen.. The days are definitely shorter (but no less filled with jobs and responsibilities!) and the temperatures have dropped off a bit. Fall has arrived and with it comes a variety of Lions events in our District. We just enjoyed three fantastic Region meetings and much fun was had at the JDRF Walk. Ahead of us are the Penrickton Dinner and PDG Tom "Too Tall" Hill's Appreciation Dinner, along with many other club-level events being held throughout the District.

Please make certain that you carve out some time from your hectic lives to attend a few of these events as they come up on the calendar. Not only are you going to have a great time seeing friends and making new ones, but you will also help each club to carry out their mission of service to the community!

Remember, submissions for the newsletter should be sent to [jboomer1965@gmail.com](mailto:jboomer1965@gmail.com) no later than the 20th of the month preceding the publication of the next edition.

Yours in Lionism, Lion Jim Boomer

# District Governor Jim Leach, Jr

## Together We Can, Together We Will!

Great first round of Region meetings. All of the clubs gave wonderful reports. It is very interesting to hear about the different events and projects that we all do. I wrote several of them down and will bring them back to my own club to see if maybe they can fit into our schedule. I think all of the Zone Chairs who hosted and ran the meetings did a great job and I want to thank them for doing that.

I hear that the USA/Canada Forum in Grand Rapids went well and had a very good attendance. As usual, District 11-A2 was well represented in both attendees and volunteers; that is great news.

The JDRF walk at the GM Tech Center was held the last Sunday in September. This article went to the editor before the event so hopefully District 11-A2 had another amazing turnout and we reached Chairman Roger Blackwell's goal of \$30,000. Diabetes is a terrible disease that touches the lives of so many people, including many, many Lions in our District. If you or your club has a donation, please send it in to Chairman Roger and let's do our part to end Diabetes as we know it.

Upcoming in October, Most importantly is Friday, October 9<sup>th</sup> which is Governor Tom's Appreciation Dinner. Hopefully, you have signed up for this. Governor Tom had a great year and worked very hard for our District, he deserves a great party. Also in October, Monday, October 12<sup>th</sup> is the second Cabinet meeting in Clawson. Then Friday, October 16<sup>th</sup> is the Penrickton Kickoff dinner.

There are many other events coming up this month, please take a look in the newsletter for more information on them. PCC Frank will also be sending them out on a regular basis. One event that is coming up in early November that I would like to note is the Lake Orion Lions Club "A Christmas for Everyone" Auction. This is our fundraiser for our Christmas Basket program. Last year, over 240 families and Seniors in the Lake Orion area received over a week's worth of food and presents (if needed) for Christmas. There is a live and silent auction. If you are interested, please let me know, I have flyers and tickets available.

I have a few club visits scheduled, I sure would like to get a lot more. I am not going to impose myself on your club. If you want me to come out for a visit, let's talk and work something out. I know a lot of clubs just want to do their own thing and be left alone without all of the District people coming around. Okay, good with me, no problem. But, if you do want me to come for a visit, that would be great.

Coins for Camp update: Project is going great! Many of you have generously donated to First Lady Kim's special project, and the big jar is getting filled quickly. To date, there is already over \$200 in there! Lioness Liaison Lynn Voisich has made this the Lioness' fall project so I am sure that the jar will get filled! Each Lioness Club is getting their own jar to fill. If there is any Lions Club that would like a jar to fill on their own, please let me know and I will make sure to get you one. Thank you all very much for your generosity! The jar will be at all of the District meetings and ready for your change.

I was fortunate enough to attend the Lioness Fall Meeting. It was a very good turnout and great to hear what all of the clubs are getting ready to do. The Lioness are such an important part of our Lions family and it is really wonderful to see how much they do for their community. I want to congratulate Macomb Township Lioness Club on being recognized as the Lioness Club of the Year. What a fantastic reward for a great club!

Thank you for all you do and all you serve.

Talk to you next month.

Governor Jim

## “RAISING THE BARR!!!”

If you read my article in the September Newsletter you must have thought that I didn't finish my sentence. Hmm, that's a thought, keep you hanging so you have to read my October article to see how the article ends. No, I didn't do that on purpose, I think when our fabulous Newsletter Editor “raised the barr” he cut me off. No biggie. The remainder of the sentence was “to be sure they are a match for your club before approving their *membership*. *This is a great way to turn your purple ribbon to gold.*”

So now on to my October article:

By now the Lions Clubs that take the summer off are back meeting and planning their upcoming events. The Club Presidents or representatives shared great reports at our recent Region Meetings. I hope you had a chance to attend, if not there will be another series in November. We do have a Cabinet Meeting scheduled on October 12<sup>th</sup>. I plan to be there, will you?

I had the opportunity to attend and volunteer at the USA/Canada Forum in Grand Rapids last month. All I can say is “WOW”. What an opportunity to learn more about Lionism and meet fellow Lions. It was obvious the amount of work the committee put into planning the Forum. Michigan Lions should be proud!

While at the Forum, I talked with a young lady from Lions International about the Centennial Membership Awards Program. Lions who sponsor new members qualify to earn awards based on how long the new member remains active.

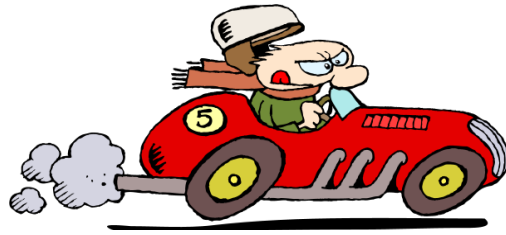

- Silver Centennial Lion – level earned once the member remains in good standing for a consecutive year and a day.
- Gold Centennial Lion - level earned once the member remains in good standing for 2 consecutive years and a day.
- Diamond Centennial Lion – level earned once the member remains in good standing for 3 consecutive years and a day.

We had a sneak peek at the awards during the USA/Canada Forum. Let's show International what a great District we are and start working on receiving these awards. Turn your purple ribbon into gold.

Have you turned your Purple Ribbon into Gold.? Just ask one.

# 2VDG John Bingham, Jr.'s Travel Corner

Hello fellow Lions, Lioness, Leos and anyone who can obtain a copy of this wonderful article, ha ha!

I had the pleasure of attending the USA/Canada Forum in Grand Rapids for the first time and only one word comes to mind; AWESOME! I met many Lions from, I believe, all 50 states. There were also Lions from Japan, Korea, Malaysia, Pakistan, India, Kenya and the Bahamas. We were honored to have the current International President there from Japan and a great time

was had by all. There was High Praise for this forum from all of the attendees.

I even had the pleasure of talking at some length with the candidate for 3rd International Vice-President, Lion Jung Yul Choi who hosted the biggest International Convention in Lion's history in 2012 with a total registration of 53,308 individuals. He ended a three-year drop of 7,068 members before he became GMT Area Leader in Korea in July 2014. He has a net membership gain thru 6/30/2015 of 1,599 new members. WE CAN LEARN FROM THIS, IT CAN BE DONE.

I will be representing the District at the Advanced Leader Learning Institute (ALLI) in Oak Brook, Illinois from November 14-16. I hope that this will help me to become a better leader. I am also attending the Michigan Council of Governor's meeting in Big Rapids on October 9-10.

I look forward to the new and exciting century full of possibilities with newer and YOUNGER LIONS whose ideas will bring clubs into the next 100 years of Lionism.

# Happenings Around District 11-A2 . . .

The Selfridge North Macomb Lions Club carries on the tradition of service to their community! A weekend of mint sales and the North Gratiot Cruise in Chesterfield Township on September 26th kept the club very busy.

Former Detroit Tiger Dave Rozema was scheduled to sign autographs at Biggs Bar and Grill. The SNML asked for a donation and a photo opportunity. Rozema did one better and brought baseballs, baseball cards and photos to sign in

exchange for one thing; donations to the Lions!! Thank-you doesn't seem to be enough to show our appreciation for what Dave Rozema did for our fundraiser, but we give him our warmest thanks!!

Recipient of a Utica Lions college scholarship a decade ago, Andrew Ricketts, presents a personal check for \$500 to Lions President Jerry Noonan in gratitude for their generosity. He wanted to add to their scholarship fund to pay it forward and continue to do so for years to come.

The Hazel Park Lions Club once again became a part of the Hazel Park community as they handed out free potato chips at the Free Hot Dog Dinner hosted by many community groups. Just prior to the Hazel Park Vikings first football game, we were all treated to a pep rally. They also shared with many about their club and how they serve as Lions.

A lion with a large, golden-brown mane stands in a savanna landscape. The background features a bright, glowing sun or moon low on the horizon, casting a warm, golden light over the scene. Silhouettes of acacia trees are visible in the distance. The word "Welcome" is written in a large, elegant, cursive script in a dark brown color, positioned in the upper left quadrant of the image.

## The Lion's University Graduation at the USA/Canada Forum was a GRAND success!!

On Friday, September 18, 2015 over 310 Lions were recognized for having completed the requirements for the Bachelor's Program and the Master's Program.

Selfridge North Macomb Lion's President Tracy Antrikin graduated with a Bachelor's Degree from the Lion's University and was congratulated by Lion's International President Dr. Jitsuhiro Yamada.
