## Roaring News

Serving Oakland and Macomb Counties

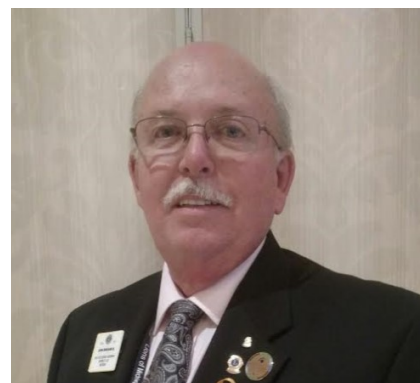

[www.lionsdistrict11a2.org](http://www.lionsdistrict11a2.org)

Greetings Fellow Lions, Lioness and Leo's.

Since my last article I've been very busy visiting clubs and I attended the Council of Governors meeting and the Michigan Forum in Grand Rapids. We had a Great turnout for the forum and we completed a service project for the Special Olympics.

After 40 years, ten of which were spent with the Lions Hearing Center of Michigan, Lion Phil Wells is retiring as its Director. I know

we all wish to congratulate him and to wish him some well-deserved relaxation time with his wife. Many of us attended the Bear Lake Fundraiser and we had a full house and a great time. I don't have an exact figure on the amount raised but I do believe it was about \$43,500. This will be put to a good use by the camp. The annual cleanup date for the Bear Lake Camp is set for Saturday, May 12, and all hands are welcomed to help out!

At the Leader Dog dinner last December I was invited to attend a meeting by the Windsor Downtown Lions and I visited them on March 7th. What an experience! I was warmly welcomed by them and had the opportunity to speak a few words to them (yeah – Governors can speak only a few words, ha! ha!). The club meets on the first floor of an apartment building which the club has owned and operated for many years. It services senior citizens as well as individuals who are blind or visually impaired. They extended a welcome to any and all who wish to visit their club.

Below are pictures from Leader Dog and the Penrickton Center. Thru my employer's charitable

foundation, the Enterprise Rent-a-car Foundation, I was able again this year able to obtain grant money for both of these wonderful organizations.

The District Convention is next weekend (April 6th to 8th) in Grand Rapids, MI at the Double Tree Hilton on 28th Street. We have a number of individuals registered and our Guest Speakers are Past International Director Bill Phillippi and his wife, Vickie. We are expecting to have a lot of fun and remember to wear your western gear as the theme for the Friday night mixer is "Cowboys & Indians". It is hard to believe that my year is almost up and that it has been almost 9 months since I became Governor. I have had a great time as I have visited with many clubs and with many Lions. I have represented the District at the USA/Canada Forum in Portland, OR and I visited with a couple of clubs and district officers during a recent visit to California. However, to date I am most proud for being able to help form a new club and to work towards developing another one. I know that incoming DGE Jack and 1VDG Scott will continue to build the greatest district in Michigan, District 11-A2.

Hello, fellow Lions, Lioness and Leos of District 11A2!

There was great attendance this month at the two kick-off dinners for Bear Lake and for the Michigan Hearing Center. Congratulations to Lion Phil Wells upon his retirement from the Hearing Center! Each of these programs had past students sharing their own experiences.

Also, in February we finished up our third and final round of the Region and Zone meetings. Great reports were given along with excellent club ideas and projects. Remember, the purpose of these meetings is so each club President can brag about their own club and share their ideas with other clubs.

Region One had the lowest attendance of club representation at the Region and Zone meetings. I would like to know why that is. What do we need to do

to bring back Region One? We can't fix the problem if we don't know what it is.

I still need three Zone chairs for Region One. Remember, be a part of the solution and not a part of the problem. Please step up Lions and serve your District! I am very proud to see that women are stepping up in these leadership roles.

That's it for now; I will see you in a couple of weeks at convention in Grand Rapids. I know the convention committee, led by Dick and Nancy Maxwell, has been working their tails off so everything will go smoothly. Thanks, Lions Dick and Nancy!!

So, for now just remember that we will be "Serving into our 2<sup>nd</sup> Century."

Yours in Lionism,

DGE Lion Jack Patton

# 2VDG Scott Edward Berry

and Candidate for First Vice District Governor.

I thank all the clubs for your attendance at the last round of region meetings and listening to the speakers from the Salvation Army Rehabilitation Center. It's an unknown asset in our community that can easily change a life. There are many beds available at the men's center and many open beds at the Romulus location for the women.

The Salvation Army Rehabilitation Centers are funded from the purchases you make at their stores. If you like their Facebook page, they will announce special sales. For example, on Saturday, March 3, 2018, they were running a sale of 50% off on clothes. I shop there and some dress pants and dress shirts that I have worn to Lions meetings were from the Salvation Army. But I will not buy underwear there.

Contact Jillian Lankford if you want to join The Salvation Army, Southeast Michigan, Adult Rehabilitation Center's newsletter or make a donation to the Salvation Army's Rehabilitation Center or if your club would like to take a tour of the facilities. Jillian Lankford's contact info at her office is 313-965-7760 ext. 265 or mobile is 313-999-0153.

**ROAD TO RECOVERY**

Spring is around the corner I hope and also the Lions Convention. Hope to see a lot of the Lioness there.

All of our Region meetings are over and we had some interesting guests. Thanks  
2nd -Vice District Governor Scott Berry for bringing them in.

A big Happy Birthday to the Lake Orion Lioness Club! On the 21st of March they celebrated their 30th anniversary. Great job!! They celebrated by having a scrapbook fundraiser whose theme was Birthday Party and they had 70 attendees. Three cheers for the Lake Orion Lioness!!

Our Lioness Clubs continue to be very busy. The Sterling Hts. Lioness held a Bake Potato Fundraiser on the 17th of March and the Macomb Township Lioness held their Euchre Tournament on March 25th.

Thanks to the Lioness Clubs who gave their donations for our fall project "Kid Sight". We raised \$620.00. Thank you for your donations.

Just a small reminder our joint meeting at Leader Dog will be April 23rd at 7pm.

I was able to visit all the clubs before the snow fell. Busy clubs small or large.  
I am proud to be a Lioness. Keep up the good work.

Lioness Liaison Lioness Fran Black

Reminder...

Lion Leo and Lion Dave will be at all Region Meetings to collect used eye glasses. Please bring your glasses in sealed boxes and without cases. They also will collect any used hearing aids.

Dear Lion Leaders,

Lions Clubs International Foundation (LCIF) is the charitable fundraising and funding arm of our global organization. It enables and empowers the great work Lions clubs do in their communities and provides hope and meaningful impact through humanitarian service projects and grants. LCIF belongs to every Lion and in 2018 LCIF celebrates 50 years of supporting Lions in their service and impacting lives around the world.

Our record of success has positioned us to tackle even more challenges worldwide in our next century of service as Lions. The foundation has chosen to move forward with a US\$300 million capital campaign to support our existing core competencies as well as our new Global Causes.

I have been appointed the Area Coordinator for Michigan, Illinois, Indiana and Kentucky. ID Jenny is the Vice Chairperson of Constitutional Area 1. Both of us were recently at LCI Headquarters in Oak Brook for our training. PID Linda Tincher from Indiana is the Vice Coordinator for this area.

We have been tasked with nominating an MD Coordinator who has demonstrated interest, understanding, commitment and leadership at the MD, District and Club level for LCIF. Our International Officers and the LCIF Board of Trustees will make the official appointments. We are looking for these skills and qualifications: Background of top leadership positions and responsibilities; Deep commitment to Lionism, LCIF and the campaign; Skillful and diplomatic: Decisive and pragmatic; and Utilizes fundraising strategies.

MD 11's share of the \$300 million is \$2,634,500 over the 3 years of the campaign. This figure is based upon the membership in our MD as of November 2017. These funds may be raised through pledges, corporate donations, fundraising activities and personal donations.

The MD Coordinator will work with the DGs and the DGEs to select the sub district coordinator. Each club is to have an LCIF coordinator and if no one volunteers, the default person is the immediate past president.

I have attached a two page PDF that outlines the specific qualifications the LCIF Board and Officers are seeking. You will note that this new LCIF coordinator position is a major undertaking which will require time and the ability to travel within the MD.

If you know someone who may have an interest in being considered for this position, please ask them to send me an email with a brief statement of their fundraising experience and why they would like to be considered for this appointment. Because our time frame is very short as I have to submit a nominee by early April, please have something to me **NO LATER THAN APRIL 9**. ID Jenny and I will review the candidates and recommend the Lion we think will do the best job. Again, it is the officers and the LCIF Trustees who select the coordinator....we only nominate.

As leaders in your respective districts, please let your constituents know about this new direction for the LCIF coordinator and encourage anyone you think will do the best job.

If you have any questions, you may reach me by phone or email. My contact information is at the bottom of this memo.

Have a wonderful Easter weekend.

### ***The Macomers***

*The Macomers are one of the finest show choir in the state. Michigan's oldest college show choir, founded in 1970, has grown in emphasis and stature. Although constantly changing its musical selections and member, The Macomers continue to receive rave reviews.*

*They have appeared on stage at the Macomb Center with some of the biggest names in the music industry including Neil Sedaka, Judy Collins, Marvin Hamlisch and Tom Jones. They have performed for local school children and U.S. presidents alike. Each year, they take center stage at the Macomb Center in two "extravaganzas" to help benefit the fund which provides for their scholarships. They have been booked by such clients as Chrysler Corporation, Henry Ford Hospital, Beaumont Hospital and Sterling Heights Library. They can perform at your organization's next event for a fraction of the cost of other performers.*

*The Macomers use their first two years of college with a commitment to singing and dancing. Some hope to make it a career and, indeed, among The Macomers alumni are professional entertainers who have taken their talent aboard cruise ships, on stages and inside television sound studios. Even more use their Macomers experience to become teachers and leaders in business and the community. But, whether or not they remain in the performing arts, most former Macomers say that the experience of being on stage was one of the most memorable and transforming of their lives.*
