New District Governor: "Serve to Live, Live to Serve"

"You can't get very far until you start doing something for somebody else" – Melvin Jones

So that is our focus for this year. I truly believe that if we put our service out there, others will want to join us! Yes, there is obviously more to it than just doing service projects. Advertising is a big part of being successful. We must let our communities know what, when, and where and then we must follow it up by telling them how we did. How many people we served, how many hours we put in and where any donations will be going.

So, here's my motto for the year – "Serve to Live, Live to Serve"

It's a big circle and doing one makes me want to do the other. I hope you feel the same way. We will be doing several District Service Projects this year and I hope you will join us for them.

I'm fresh off a plane from Honolulu, Hawaii and a long trip that covered New Zealand, Melbourne and Cairns, Australia and the Honolulu. I spent that time with my sisters, and we went exciting places and did exciting things, including getting sworn in as District Governor! I know some of them got put on Facebook and hope you got to see them. I can't thank them enough for joining me on the trip of a lifetime.

Please join us at the Cabinet Installation Picnic on July 21, 2024, at the Romeo Lions Den. Let our District Tail Twister Jim Bone know you're coming (the flyer is out there), so we know how many people we're feeding. Our Cabinet is here for you, so show them your support!

International Convention is something everyone should experience at least once, so put it on your to do list. 2027 is in Washington DC if you don't want to travel too far and need time to save, as it can get expensive. There's entertainment, learning opportunities, lots of information, shopping, and pins to trade, as well as meeting new Lions and spending time with those you already know. Our new International President, Fabricio Oliveira, has chosen "Make Your Mark" as his motto for the year and said, "Everywhere we serve, every time we give, we bring kindness and compassion, change and hope. And we make our mark on the lives we touch, the communities we serve and the world we share."

I'm looking forward to spending time with all of you and will be in touch soon to make those plans. In the meantime, keep doing the things that you do and remember that we are here if you need something or have something to say (good or bad) and we hope to try out some new things, so be prepared to help us.

Lastly, life would not be right if I didn't share this quote with you. It was the first one I shared and still the best – *"How wonderful it is that nobody need wait a single moment before starting to improve the world"* – Anne Frank

So don't wait another moment.....Make Your Mark.

Lion Rhonda Furby
District Governor

1st Vice District Governor Monthly Submission

Happy New Year!

Yes, I know it sounds crazy, especially this time of year, but we are now embarking on a new Lions year. I would like to thank the loyal and devoted Lions who attended the District Convention and especially those who voted during the elections. While the convention was held in April, the results of the elections begin this month.

I am very happy to be serving with PDGs Blazek and Unruh, Governor Furby, 2nd VDG Lucrero and Secretary/Treasurer Thiede. Together we have begun work on trying to improve our positions with Membership, Marketing, and Meetings.

What does this mean? It means we are looking at ways to increase membership, improve our marketing (so Lionism is not the best kept secret in the community) and hopefully improve the format of Regional and Zone meetings in a way that encourages attendance.

There are no easy or solid answers to these formidable improvement desires, but with your help, we will find a path forward. It started with a survey at the District Convention and will continue with other forms of canvassing opinions. The desired result is finding out from you, how we should proceed with making our District one of the top Districts in Global Region CA1.

While a few of us have been elected to be the face and voice of our District, every single Lion in our District has a voice and we want to hear your opinion. We have a task set upon us to improve our position with Membership, Marketing and Meetings and we look forward to working with you to establish some new parameters.

Your participation at the grass roots level is very important to establish a format that is acceptable to the majority.

Lion Mark Scicluna

1st Vice District Governor

HAPPY
new year

2nd Vice District Governor Monthly Submission

What is a Lion?

What is a Lion? It's a question I am frequently asked when talking about being a member of the Lions Club. The answer can be as complex, or simple, as you'd like it to be.

Like most, I wear the title of "Lion" with great pride. To me, it's an honor to wear the title and be a representative of an organization that has thrived for over a century. But what is a "Lion" and what does it mean to be one? Lions are a diverse group. We are young, old, and from a variety of social and economic circumstances.

Some of us joined on a whim and for some, Lionism is a proud family tradition. All you have to do is look to our clubs to figure out what it means to be a Lion. You will easily find examples of the good and giving nature of Lionism.

New Baltimore is home to the largest flagpole in the State. It's a point of pride for the community. Ever since 1903, New Baltimore had had a water tower as part of its defining characteristic. The original was replaced in 1948 with the replacement being decommissioned in 1994. By 2016, the old tower had fallen into disrepair and the city decided to demolish it; leaving a void in the city's identity. That's when the New Baltimore Lions stepped in with an idea – Build a REALLY big flagpole.

The New Baltimore Lions worked with the local community to bring the vision of this project to fruition. They fundraised to cover the costs of building the flagpole by selling individual commemorative monogrammed donor bricks. As part of their commitment to the city, they also pledged to cover the cost of maintaining the flagpole. They do this through their Jack-Of-Spades fundraiser. This year, they were able to raise about \$75,000 for the maintenance fund. This is one of the ways that they have made their mark on their community.

In 1938, the Lake Orion Lions started their Christmas Basket Program. At that time, Lake Orion was largely a resort community, so a lot of people were out of work during the winter months. The local Lions Club devised this program as a way to help out their fellow neighbors. This program continues today providing two weeks' worth of food and home goods to over 225 families and around 90 senior citizens.

Lions District 11 A-2 Roaring News

"SERVING OAKLAND AND MACOMB COUNTIES"
WWW.LIONSDISTRICT11A2.ORG

The Lake Orion Lions Christmas Basket program is an endeavor that requires the participation and support of the full club to purchase, package, and distribute these baskets. To date, the Lake Orion Lions Club has provided baskets to over 40,000 of their neighbors over the program's 85 year history.

Mid-morning, on Monday, November 30th, the unthinkable happened at Oxford High School. In the wake of the Oxford shooting, Oxford and its surrounding communities were in shock. A small, new, pizza shop in the area, Sick Pizza Company, wanted to help but really didn't know how. What they did know was that food has the ability to comfort the heartbroken and weary. The day after the shooting, they decided to try and raise money by giving away pizzas for donation with the proceeds to benefit those affected by the senseless act of violence. It didn't matter how much you gave, if you gave any amount, you got a pizza. Volunteers worked tirelessly churning out one pizza after another from sunup to sundown. Their original goal was set at \$25,000.

The fundraiser was a success, but because of how successful it was, Sick Pizza ran into some issues. By Friday, they had raised more than \$75k for the survivors, but they had also run out of pizza boxes and toppers to keep the boxes from falling on to the pizza. One of the volunteers working at the pizzeria reached out with a video plea for help on social media and the Romeo Lions just happened to see it. Lions members rallied to assist and quickly collected more than 1,800 boxes and 1,000 toppers from local pizzerias. Two Romeo Lions members dropped off the much needed supplies that evening and stayed to fold boxes for 3 hours. All in all, Sick Pizza Company was able to raise \$102,160 for the survivors of the school shooting.

Back in October of 2023, a 7 year-old Washington Twp. boy by the name of Ryder Finkel was diagnosed with a rare form of childhood cancer – diffuse intrinsic pontine glioma (DIPG). A tumor had grown at the base of his skull and was putting pressure on his brain and brain stem. The Finkel family was rocked. A GoFundMe was immediately started to help with the costs of treatment and the family began to prepare for the worst.

After seeing the GoFundMe, Lions sprang into action offering assistance to the Finkel family in whatever manner they could. They helped connect the family with the Detroit Lions which started what is now a lifelong friendship between Ryder, and his brother Wyatt, and Detroit Lions Defensive End, Aiden Hutchinson. T-shirts were designed to aid in fundraising efforts as well. Lions helped support fundraisers and got Ryder and Wyatt on as honorary Grand Marshalls along with Santa for the local Christmas parade. Clubs from all over District 11-A2 ordered t-shirts and sent financial donations to help the family. In the end, over \$10,000 was raised by the Lions of District 11-A2.

Lions District 11 A-2 Roaring News

"SERVING OAKLAND AND MACOMB COUNTIES"
WWW.LIONSDISTRICT11A2.ORG

I am happy to report that a brain scan in April showed that there was a 28% decrease in the size of the tumor pressing on Ryders brain stem. There have been 2 more scans since then, each showing no new growth. Ryder's father, Tim, thanked the Lions club for helping his family. Although they don't know what the future holds, or how much time they have left with Ryder, the support of the Lions Clubs from District 11-A2 and the funds raised will help ensure that they spend that time focused on creating great family memories.

These are just a few examples from our District, but there are limitless examples that could be referenced from Lions Clubs around the world.

So, what does it mean to be a Lion? One could say it's as simple as being a club member and raising money for those in need - whether it be for individuals or other organizations. Personally, for me, a Lion is someone who is deeply committed to making the world a better place. We are kind and selfless. We care deeply for our communities and those in need and strive to help where we can. We voluntarily take on this responsibility and because of this, we understand that wearing the Lions pin proudly upon your chest is both an honor and a burden.

Wherever there is a need, there's a Lion trying to help.

Rochester Lions Club Raises Money for Leader Dogs

Lions Kathy & Lowell Gladd of the Rochester Lions Club participated in the annual Bark & Brew fundraiser which benefits the Leader Dog for the Blind organization. Lion Lowell walked in the 5K run/walk and Lion Kathy helped run games for the children.

The Rochester Lions Club installed two new members on May 20, 2024. PDG Connie Shelton led the induction of new members Kamala Felarca and Dane Scheidemantel with their sponsor Lion Lowell Gladd (Membership Chair).

NEWS UPDATE

Sterling Heights Lions Present New Donation Box

The St. Clair Shores Lions Club presented a drop box request for residents to donate old eyeglasses and hearing aids at the City Council meeting on Oct. 2.

Charles Bellestri, president of the St. Clair Shores Lions Club, presented the drop box request. He said they purchased a mailbox from the U.S. Postal Service, refurbished it and will use it for recycled hearing aids and eyeglasses.

These items will be sanitized and shipped to at-risk areas for people who need them. The box is going to be placed in front of City Hall.

Councilwoman Candice Rusie thinks this is great, saying people will think about the box when conducting other business at City Hall.

"I love the fact that this will be just so much more visible for the community," Rusie said. "Nice bright yellow, and it will stay in people's minds."

Councilman Ron Frederick thanked Bellestri for his work. This is, I think, the beginning of something really great and a good partnership between the city and the Lions Club," Frederick said.

L to R Saint Clair Shores Sec-Treas Dave VanBeek, District 11-A2 Governor Kelley Unruh, Service Chair Randy Klinger, Pres. Chuck Bellestri.jpg
